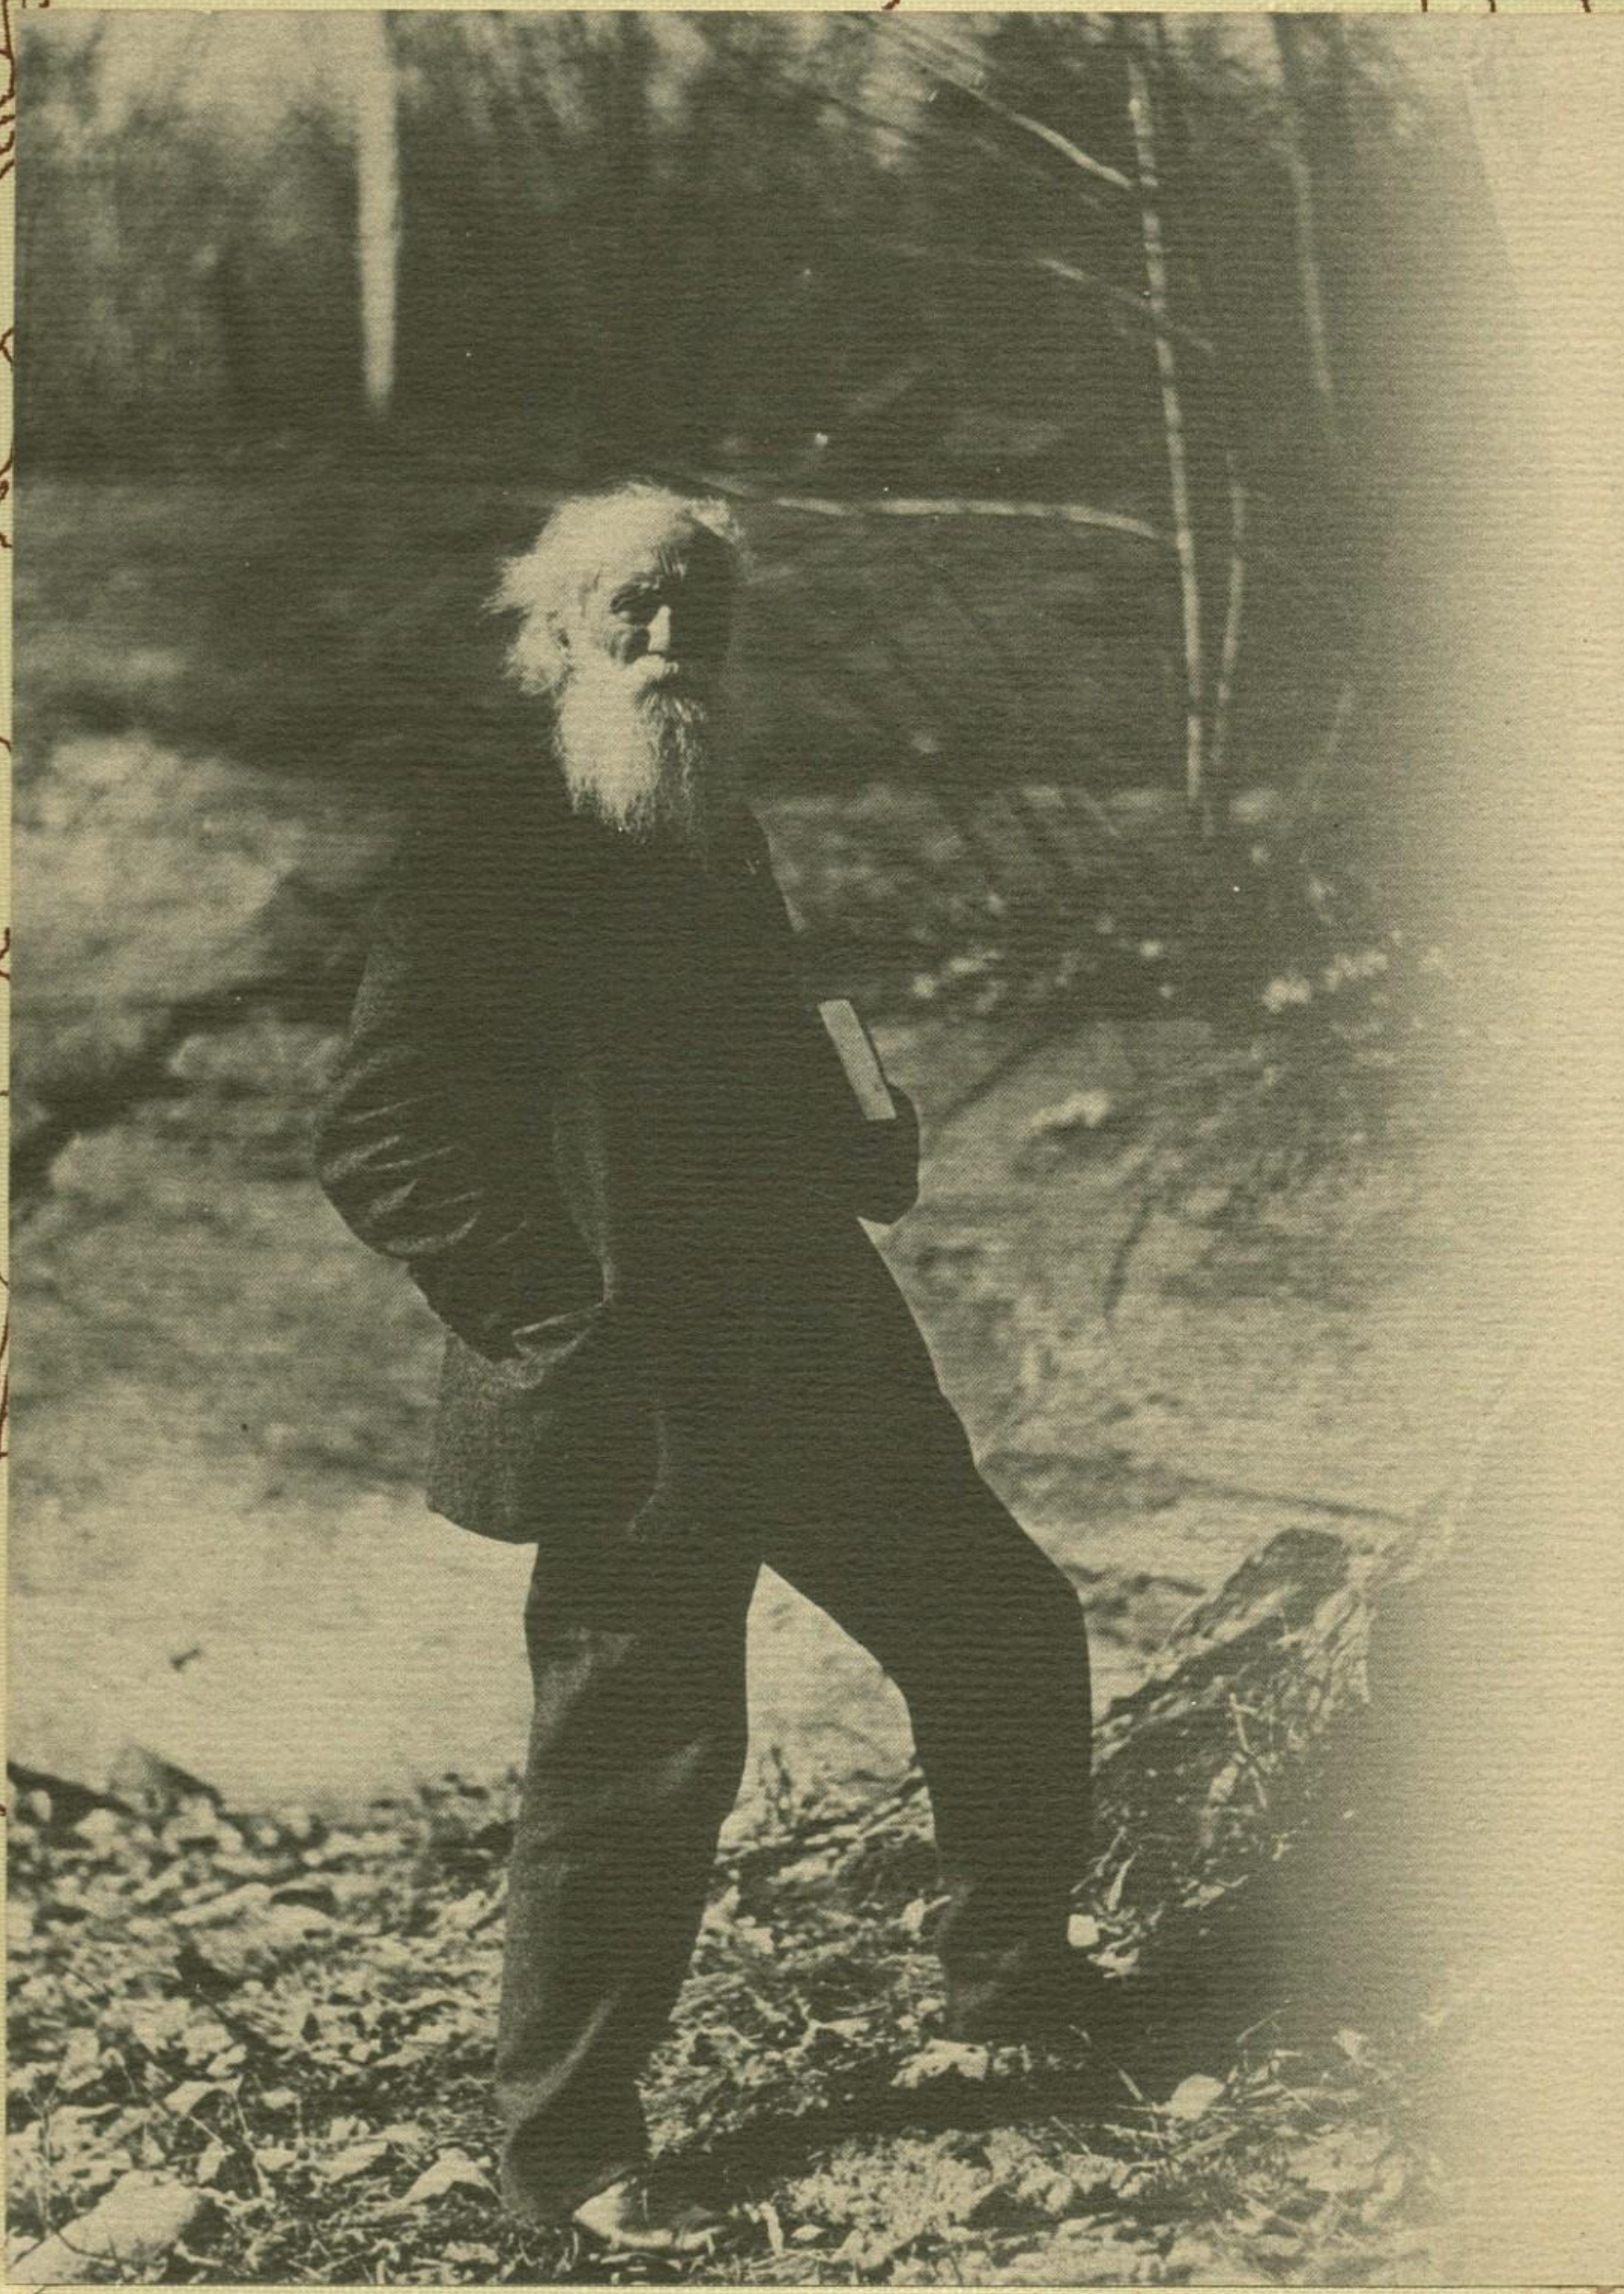
JOHN BURROUGHS SCHOOL

1974



I stay my haste, I make delays,
For what avails this eager pace?
I stand amid the eternal ways,
And what is mine shall know my face.

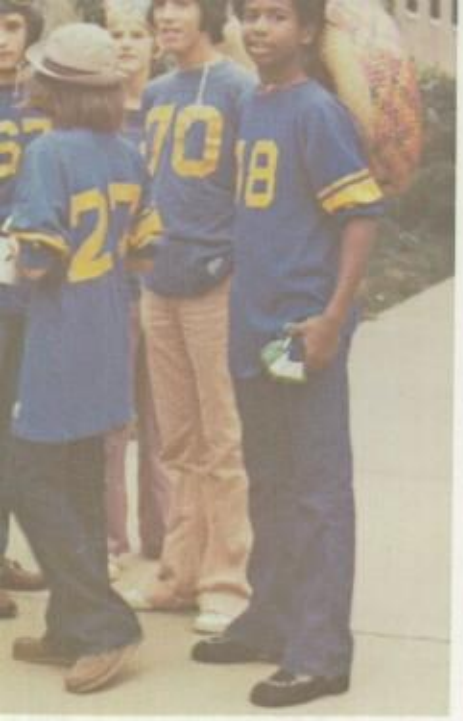
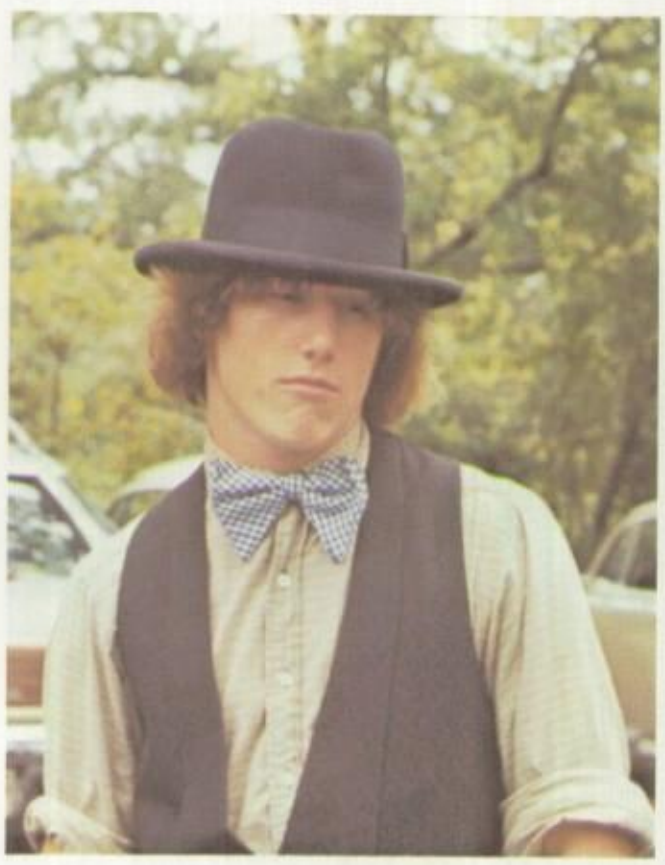
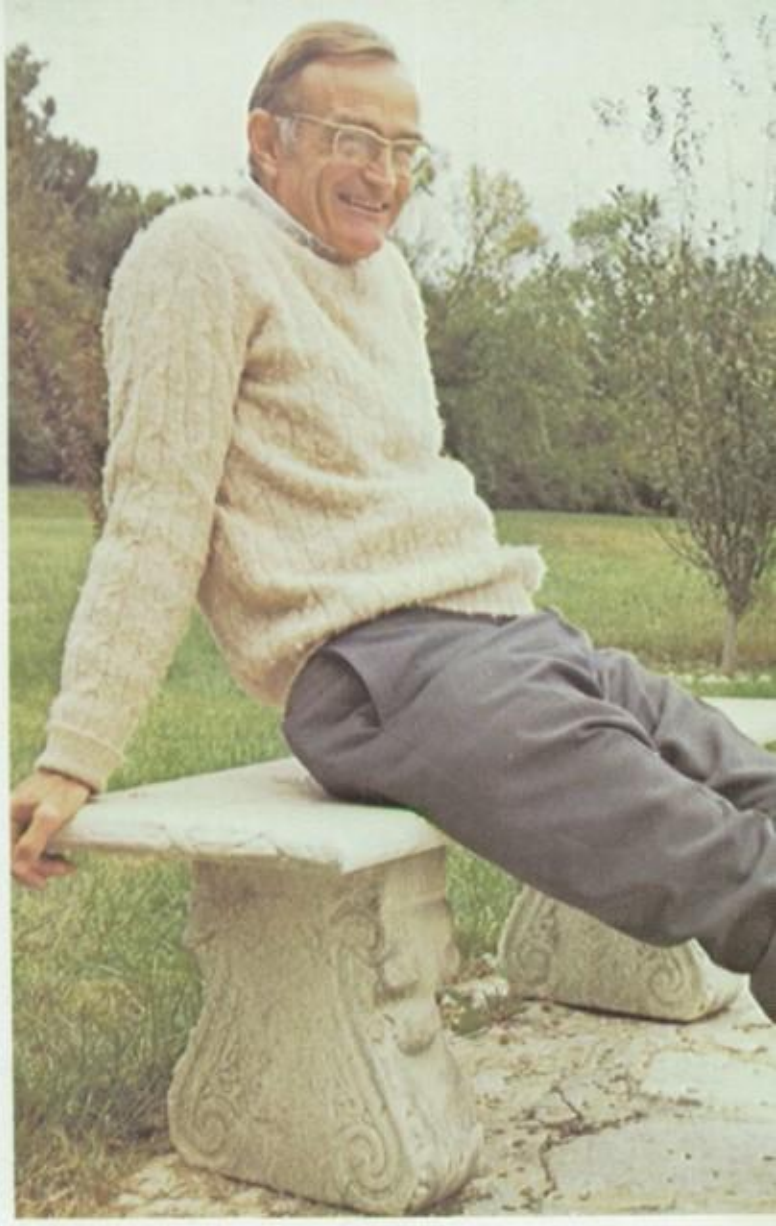
The year 1837 marked the birth of a remarkable man after whom John Burroughs School is named. Though he was a teacher, poet, conservationist, and a writer, his great love lay in nature; even when he was a boy he was always slipping away from school to study nature. Ideas constantly crowded his inquisitive mind. Burroughs was earnest, honest-minded and made every attempt at self improvement. He valued, above all, solitude and simplicity.

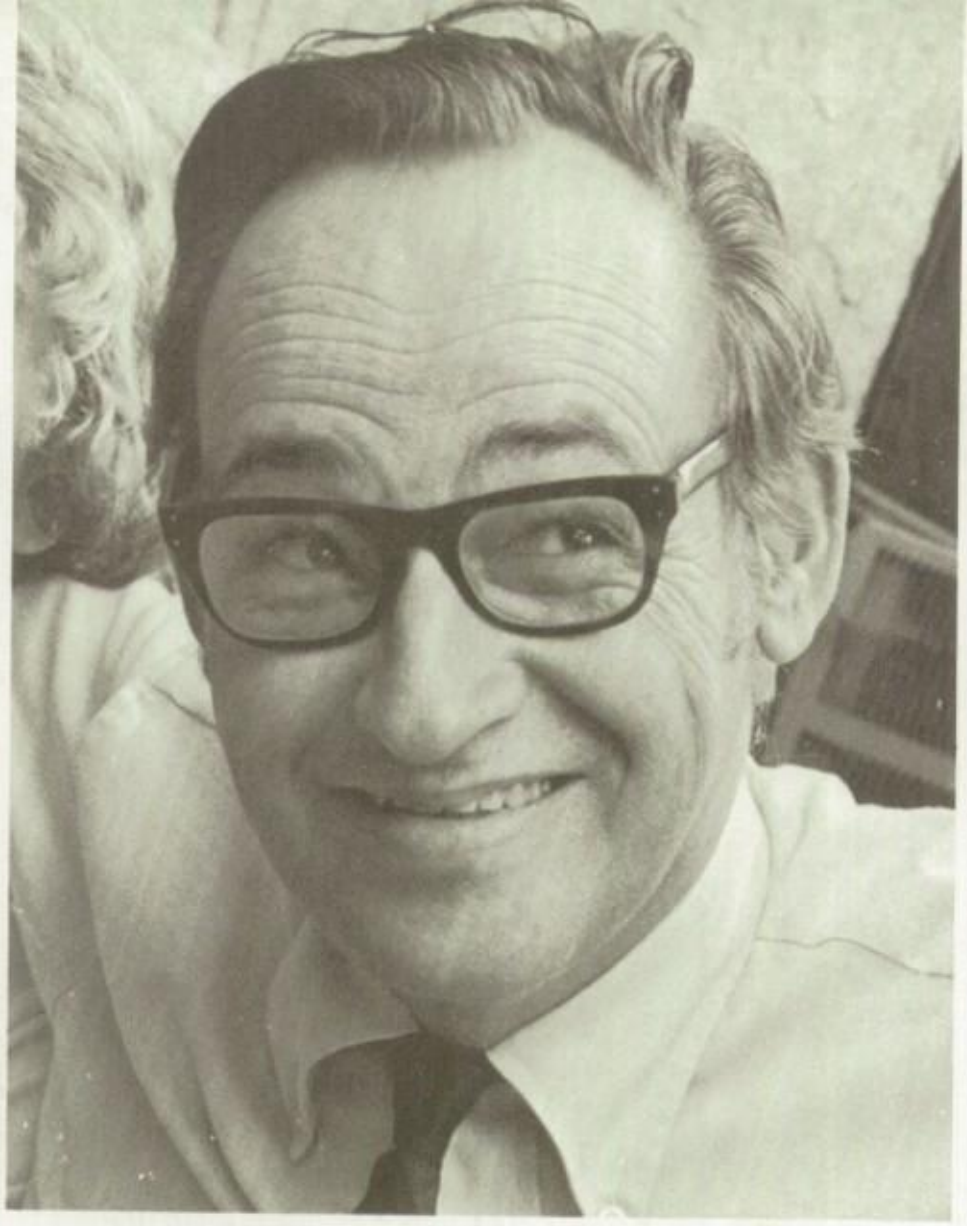
The founders of John Burroughs School were disenchanted with the archaic methods used in the schools their children attended. They moved to create a new spirit in education, to establish a school which conveyed a progressive train of thought; one in which the children prepared for life through experimental learning, growing in a total way — intellectual and emotional. In essence, the founders believed the school should prepare for "a way of life".

This year, the 50th anniversary of John Burroughs School, we are reflecting back on the philosophy and the life of the man — John Burroughs. We are reminded that our school was founded upon his teachings and ideals, and hope this yearbook will mark a fresh beginning, toward the next 50 years, of the zest for life, the love of nature, the drive to learn as much as each day permits. Throughout this book we have used quotes of John Burroughs with the hope that his words will help us to understand the full meaning of his philosophy, and how it applies today.









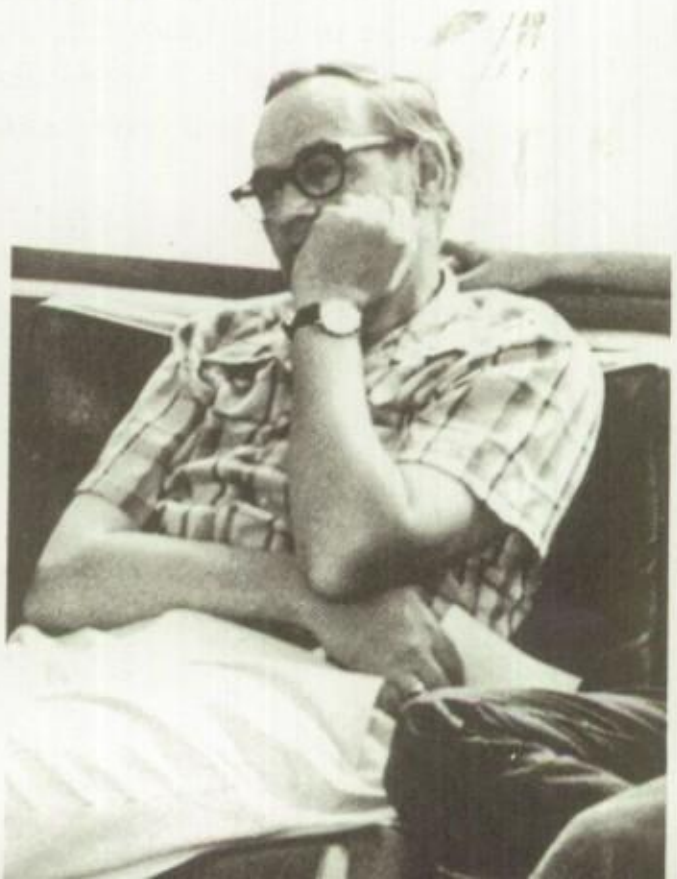
in recognition of hubert a. witscher

Mr. Witscher has served twenty brilliant years instructing students at Burroughs. Ever since he came, Hugh has been teaching Latin. In 1967 he began coaching golf and in the 1972-73 school year he added German to this teaching spectrem.

During school hours Hubie remains involved with his students. He keeps his classes intact with stories such as navy adventures, boarding school tales, and descriptions of his summer experiences. The use of bizarre weapons and restrictions keeps the students in line. Having coached golf for 8 years, Hugh decided to take up the game himself. Burroughs has prospered from his coaching ability with many victorious seasons including second place in State last spring.

To combine school work with outside fun, Hubie included his students in activities such as German parties and trips abroad. His beer drinking dog Bismark and winemaking are second only to his interest in blondes.

Students will continue to enjoy Hugh's classes in future years. Hubie, thanks a lot and good luck!



To Mr. and Mrs. Cissel,

Traditionally the headmaster has written a letter to the graduating class, but this year we are writing a letter to you. In six years we feel that we have gotten to know you well, not only as a headmaster, but as the father of two of our classmates. When we first came to Burroughs you knew all of us by names within the first few weeks and since then a feeling of mutual friendship has grown. We appreciate the personal interest you have taken in us, from greeting us at the door to providing Titti with a hockeystick.

We would also like to thank Mrs. Cissel for being such an important part of our school. We are very grateful to you for being a perennial fan and supporter of our activities.

We thank you both for everything you have done for us these past six years, and we wish you the best of luck in the years to come.

The class of 1974

"I still find each day too short
for all the thoughts I want to think,
All the walks I want to take,
All the Books I want to read,
And All the friends I want to see.
The longer I live the more my mind dwells
upon the Beauty and the wonder of the World."

"We talk of communing with Nature, but 'tis with ourselves we commune. Nature has nothing to say. It all comes from within. The air supports combustion, but 'tis the candle that burns, not the air. Nature furnishes the conditions — the solitude — and the soul furnishes the entertainment."

Drey Land has been used as a second school by students and teachers at Burroughs. This natural environment is a place where students can continue their academic studies, as well as become better acquainted with each other. The experiences of the faculty at the camp have made them more aware of their students and fellow teachers. And this year, for the first time, the Varsity football team held their first week of practice down at Drey Land.

Through the efforts of Mr. Leo Drey, the school has greatly profited from the use of his land. It has helped bring back the spirit of John Burroughs' naturalist philosophy.

I came as a shadow,
I stand now a light;
The depth of my darkness
Transfigures your night.

My soul is a nocturne
Each note is a star;
The light will not blind you
So look where you are.

The radiance is soothing.
There's warmth in the light.
I came as a shadow,
To dazzle your night!

One gloomy night of a day
the tree that I leaned so heavily upon
softly said to a scared me
who ever heard of something
alive
that was afraid to grow.

Let's love another, but make not a bond
of love: let it rather be a moving sea
between the shores of our souls.
Let's sing and dance together
and be joyous but
Let each of us be alone,
even as the strings of a kite are alone,
though they quiver with the same music.
— paraphrased Kahlil Gibran

All those who see me
and all who believe in me
share in the freedom I feel
when I fly.

Tell me lies later,
come and see me,
I'll be around for a while
I am lonely but
you can free me
all in the way
that you smile.
— Neil Young

"I'm not so much afraid of dying as of dying unknown." — JPG

Eldorado
Gaily bedight,
A gallant knight,
In sunshine and in shadow,
Had journeyed long,
Singing a song
In search of Eldorado.

But he grew old—
This knight so bold—
And o'er his heart a shadow
Fell as he found
No spot of ground
That looked like Eldorado.

And, as his strength
Failed him at length,
He met a pilgrim shadow—
"Shadow," said he,
"Where can it it be—
This land of Eldorado?"

"Over the Mountains
Of the Moon,
Down the Valley of the Shadow,
Ride, boldly ride,"
The shade replied, —
"If you seek for Eldorado!"
— Edgar Allan Poe

To the senior class

and all members of John Burroughs school.

It is hard to express the feelings I have in words, but the reason why I write this is to THANK YOU all for the wonderful time I have had here in the States.

I think this is the most exciting, fantastic, enjoyable and *great* year I have ever had, and probably will have in a long time — if ever. There has not been one day that I haven't done anything exciting and fun. You have been so nice to me, and I wish I could give you, just a tiny little bit, of all you have given me.

I have enjoyed school more than ever. What has been so great with this school year, is that I have had time to try things I had never done before, and thought I couldn't do. I have developed more this year than in all of my 16 years in Sweden, and one of the main reasons is the school system at Burroughs. I have been forced to think and use my brain in a way that I didn't do before. It makes me feel good, and I am sure will help me in my further studies in Sweden.

A very special thanks to the SENIOR CLASS. You have taken such good care of me, and always been nice and friendly. Already the first time I met you in Forest Park I knew that this year was going to be great. I was so touched when I heard about how you all had worked to save money, so I could come here. Thank you so much!!

I hope you all realize how I appreciate all that you have done for me. I will NEVER forget my year in St. Louis. If you ever come to Sweden, be sure to visit me. My door is always open.

I love you all,
Titti

Hey Kiddo —

Don't cha know? Don't cha know? You are a conglomeration of your past, But you can't hold fast for it doesn't last. You gotta keep on the go, On the go. So don't go lettin' your mind get hazy, Or your 'magination lazy. No, No, Just stay Crazy, Crazy, Crazy. And you'll be higher, Higher than any church spire.

Life it's real fun. So you needn't run, Too hard or walk Too much — T'wasn't made for such. Just express all your thoughts in your own kind of dance or song All life long. 'Cause you know, There's no real right or wrong. The world — I've found Is kind of a fancy masquerade ball, And it goes round and round and again around. All you can do is love it all, Love it all.

With love from your pal,
Your pal

"A book of Verses underneath the Bough,
A Jug of Wine, a Loaf of Bread, — and Thou."
— Omar Khayyam

For Mary:

"Because thou hast the power and own'st the grace
To look through and behind this mask of me,
(Against which, years have beat thus blanchingly
With their rains,) and behold thy soul's true face,
The dim and weary witness of life's race, —
Because thou hast the faith and love to see,
Through that same soul's distracting lethargy,
The patient angel waiting for a place
In the new Heavens, — because nor sin nor woe,
Nor God's infliction, nor death's neighborhood,
Nor all which makes me tired of all, self-viewed, —
Nothing repels thee, ... Dearest teach me so
To pour out gratitude, as thou dost, good!"
— Elizabeth Barrett Browning

"Whence do I get my rules of conduct? I find them in my heart, whatever I feel to be good is good. Whatever I feel to be evil is evil. Conscience is the best of casuists." — Jean-Jacques Rousseau

"Bent double, like old beggars under sacks,
Knock-kneed, coughing like old hags, we cursed through sludge,
Till on the haunting flares we turned our backs,
And towards our distant rest began to trudge.
Men marched asleep. Many had lost their boots,
But limped, all blind,
Drunk with fatigue; deaf even to the hoots of gas shells dropping softly behind.

Gas! Gas! Quick boys! — An ecstasy of fumbling,
Fitting the clumsy helmets just in time.
But someone still was yelling out and stumbling
And floundering like a man in fire or lime —
Dim through the misty panes and thick green light,
As under a green sea, I saw him drowning
In all my dreams before my helpless sight
He plunges at me, guttering, choking, drowning.

If in some smothering dreams, you too could pace
Behind the wagon that we flung him in
And watch the white eyes writhing in his face,
His hanging face, like a devil's sick of sin;
If you could hear, at every jolt, the blood
Come gargling from the froth-corrupted lungs,
Bitter as the cud of vile, incurable sores on innocent tongues —
My friend, you would not tell with such high zest
To children ardent for some desperate glory,
The old Lie: Dulce et Desorum est
Pro Patria more." *

The Hopeless Tree

There was a man waiting under a baby apple tree. He was waiting for an apple to grow on it. He would just sit there and wait and wait but it never grew. He watered it every day but it just didn't grow. No matter what he did, it did not grow. So the man got discouraged and gave up hope for the tree. He wanted to cut it down. So one day he decided to do it. He said he would do it on a Sunday afternoon, rain or snow. So on Sunday there was a fog and he could not see the tree and so he did not cut it down. The following Sunday a baby apple was hanging on it." — from *The Me Nobody Knows*

Where the Rainbow Ends
Where the rainbow ends
There's going to be a place, brother,
Where the world can sing all sorts of songs,
And we're going to sing together, brother,
You and I, though you're white and I'm not.
It's going to be a sad song brother,
Because we don't know the tune,
And it's a difficult tune to learn.
But we can learn, brother, you and I.
There's no such thing as a black tune.
There's no such thing as a white tune.
There's only music brother,
And it's music we're going to sing
Where the rainbow ends.

"What if I should say I love you
Would you spend some time?
I'll tell you what I'm thinkin' of you
But if I do, do you have to know why?"

When I look at you,
Are you wond'rin' who
I am to do
Such a thing to you.
I bet you know that you're breakin' my heart.
I bet you know . . . my heart.

What if I should say I love you
Baby, would you steal away my heart
And could the moment last for always
And ever, or should we even start.

When you look at me,
All the world can see
I suddenly
Want your love for me.
I bet you know that you're breakin' my heart
I bet you know . . . my heart.

Maybe someday I would be gone
Then you'd be alone
Wond'rin' whats wrong
How could it begin and then be gone."

MURPHY'S LAWS

1. Anything that can go wrong, will.
2. Anything that can't, probably will anyway.
3. Of several possibilities, that will go wrong which will cause the most trouble.
4. Everything will go wrong at the least propititious time.
5. If everything seems to be working, something has been overlooked.
6. Left to themselves, things will always go from bad to worse.
7. Nature favors the hidden flaw.

thank you,

"Dedication, long hours of work, and intense loyalty to John Burroughs School are just a few of the thoughts which come to mind about Margaret Schmidt's contribution over the last nineteen years as teacher, principal, Director of Admissions and head college counselor. I will miss her." — Edward W. Cissel, Headmaster.

"I shall live in the future just as I have lived in the past, namely, in the life of humanity, in the lives of other men and women." — John Burroughs.

"Dear Margaret:

It has always been a pleasure to work with someone so kind, considerate, thoughtful and compassionate as you. I quite frankly don't understand how you have been able to 'know' your students as well as you have. I know I speak for college admissions people throughout the country in extending warm greetings and best wishes to you upon your 'graduation' from John Burroughs." — Louis J. Fontaine, Depauw University.

"Margaret Schmidt's absence at Burroughs will be a blow to directors of Admissions in Colleges all over the United States! Surely will miss her!" — Mrs. Thomas L. Baldwin, Sweet Briar College.

mrs. schmidt best of luck

"Over the years I have known Mrs. Schmidt, I feel her extra-ordinary personality — based on good common sense — provided the stable foundation upon which hundreds of Burroughs students became happy and satisfied college people. She is unique in her field and is so recognized." — Robert Howard, Dickinson College.

"Margaret Schmidt is friendly, knowledgable, helpful, and untiring — a real person. John Burroughs School will miss her and we surely wish her the best of everything." — Elmer Hirth, Middle School Principal.

'I'm so happy with the college I am attending. I'd like to thank Mrs. Schmidt for her guidance and help. She gave all of us the same *special* attention." — John Burroughs graduate, class of 1973.

the christmas pageant

Almost two-thirds of the student body were directly involved in the planning and execution of the 1973 Christmas Pageant. This was the greatest number of participants in the history of the program.

After an orchestral introduction the choruses entered singing "The Snow Lay on the Ground" and "Angels We Have Heard on High". The traditional carols were interspersed with classical songs such as "Hallelujah, Amen;" "Allon Gay Bergeres" and "Hodie Christus Natus Est." Several other favorites were "Fanfare for Christmas Day", "Now Sing We, Now Rejoice", "Mass," "Alleluia," and "Behold That Star."

This year's book boys and girls were: John Arenberg, Robyn Hayman, Stribling Koster, Stan Martin, Beth Mendleson, Phillip Nelson, Lyn Thomas, Bettina Viviano, and Mark Williamson. Alice Crancer and Jeff Grinnell gave fine readings of the Scriptures.

"Mary's Lullaby," sung exceptionally well by Betsy Lewis, set the mood for the tableau. The tableau design was by Linda Holekamp, and it protrayed Nori Obata and Chip Krause as Mary Joseph. Jenny Woods, Milton Cornwell, and Leslie Brooksher were the onlookers. The unusual setting incorporated the seashore and a boat.

Thanks to Prissy Gunn, Skip Martin, Francie Hess, and Cindy Young for coordinating the program with Miss Collins, Mr. Mayhew, Mr. Arnold and Dr. Perkins, among others.

BRENTWOOD 33 — JBS 6

After four weeks of pre-season practice, Burroughs went into their first game without the unity that they had hoped for. The lack of team coordination and "first game jitters" proved fatal to the Bombers as turnovers were numerous. The only highlight of the game came on a three-yard touchdown dive by Trulaske. Although he fumbled it in the endzone, Chip Krause recovered it for the score. Trulaske/Krause, 6.

JBS 29 — CLAYTON 13

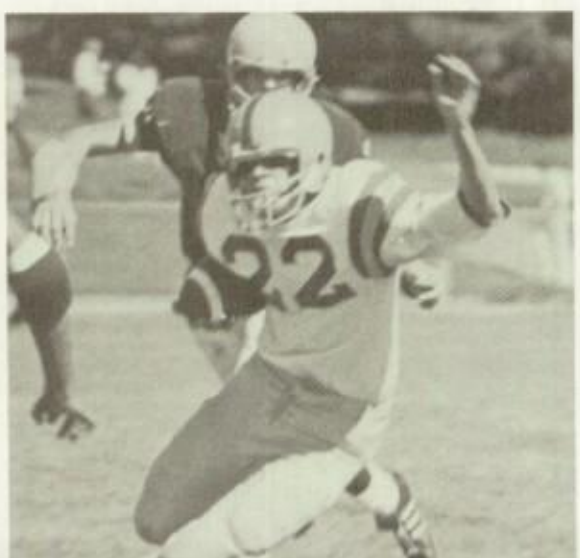
The Bombers worked hard all week on perfection, and the unity that was lacking in the first game was evident against the Greyhouds as the offense sparkled and the defense played touchdowns better than their previous performance. Charles Cissel scored twice, Steve Trulaske once, McGinley once, and John Schaus had a field goal and two P.A.T.'s.

JBS 18 — NORTH 0

The defense got its first shutout of the year by playing a simply awesome game. The score was not truly indicative of the game as the offense moved the ball well, but fell short of scoring a couple of times. Trulaske, 6, Gerfen, 6, Schaus, 6.

JBS 41 — ORCHARD FARMS 0

In a true team victory, the determined Bombers travelled to St. Charles and totally outclassed the hapless O. Farmboys. Scoring from all points of the field, the offense proved to be a potent machine. The defense played its tenth straight scoreless quarter. One highlight was John Hamilton's 35 yard interception turned touchdown for six. C. Cissel, 6, Trulaske, 12, Holekamp, 6, Miller, 6, Hamilton, 6, Schaus, 5.

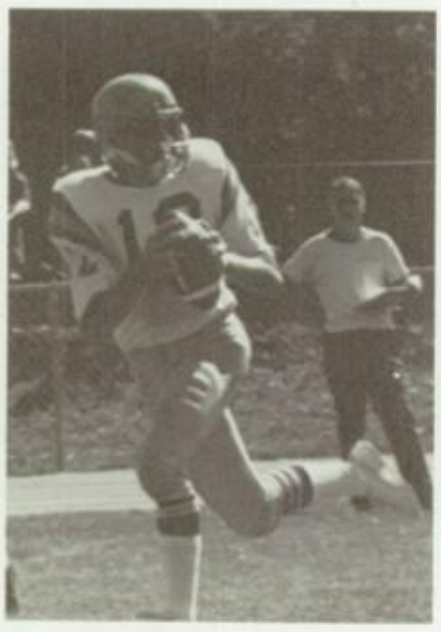


PEMBROKE 24 — JBS 7

After a long bus ride to Kansas City, the Bombers looked somewhat weary as on the first Pem-Day offensive play, TB Brockington bounded 60 yards for the touchdown. The J.B.S. offense failed to penetrate any significant yardage against the powerful Red Raiders. The only JB score came when the little Gee scored on a four yard plunge. McGinley, 6, Schaus, 1.

JBS 15 — PRIN 7

With the exception of a fluke interception/touchdown by Prin, the game was totally dominated by the Bombers. Brutal hitting and tackling ended all of Prin's offensive drives. The JBS defense got its third shutout of the year. Trulaske, 14, Schaus, 1.



JBS 0 — CDS 0

The Bombers went into their final performance confident of a win and played a superb game. The Bomber defense allowed the Rams to cross the twenty but once, and the offense moved the ball very well. On a 4th and one on the two yard line, but they opted for the first down rather than try for a field goal but fell short by one inch. Congratulations to all-leaguers Trulaske, Waters, Seddon, Austin, Krause, & Hamilton; to second teamers Johnstone, Beisman, C. Cissel, S. Stradal, McGinley, Holekamp, LeBert, & Schmid; and to Honorable Mentions Schnuck, E. Cissel, Parke, & Miller.

SOUTH 24 — JBS 21

In a poorly played football game, the Bombers displayed a lack of true desire which seemed to be contracted by the South Lancers. The Bombers had plenty of opportunities to score, but capitalized only three times which just wasn't enough. However, in the last two minutes of play, the Bomber offense looked excellent, scoring once, and just falling short of the goal line when the final gun sounded. Trulaske, 18, Holekamp, 2, Schaus, 1.

PRIORY 29 — JBS 0

In a basically well-played game, the Bombers just could not match the strong Priory team. The offense got within the 10 yard line three times, but the Rebel defense held tough. The JBS defense played well enough and held league star Jim Merenda to minimal yardage.

FIRST ROW: Carp, Forsyth, Ybarra, Holmes, Bebee. *SECOND ROW:* Obata, Manager: Hadders, Brown, Salisbury, Manager: Crancer. *THIRD ROW:* Pfaff, Clarkson, Renshaw, Burrows, Keller.

The "A" hockey varsity started the season's schedule with the willpower to uphold the five year undefeated streak. However, the season ended with the team's record being 8-1-1.

With Terry Carp, Nori Obata, and Wendy Burrows as the only returning veterans, the team was underestimated in their ability to win. Nevertheless, the halfbacks contributed along with the forward line in the 3-0 victories over Nerinx and Cor Jesu.

The annual trip to Kansas City resulted in two victories. The team beat Barstow 1-0 on a sloppy field and the next day, whipped Sunset 4-0.

Upon returning, the team faced St. Joe. Everyone tried to win this game for Skippy, but it ended in a disappointing 0-0 tie. The next day, however, they beat Visitation 1-0.

The next two games added to the varsity's winning list as they beat Ursuline 5-1, and Principia 4-0. Ursuline's goal was the first of two to be scored all season against the powerful defense and goalie Beth Renshaw.

Burroughs dropped their first loss in 5 years to Villa, who won by a simple score of 1-0. A rarely called penalty bully, late in the second half provided the victory for Villa. This goal was the second and final tally to be scored against J.B.S. Villa was the first team to snap the J.B.S. domination over their opponents since 1968.

The girls bounced back to defeat Mary Institute 2-0 in the season's finale. Hopefully, this victory will start a new undefeated streak for teams in the years to come.

The team recognizes co-captains Terry Carp and Nori Obata for their devotion and leadership, and Mrs. Keefer for her coaching ability.

It is my special belief that 1973 will be remembered as a watershed year for the intense, wondrous Burroughs sport known as Cross Country; for during this fall sports season, we have proved ourselves to be a competitive, hard-working, achieving team. 1973 will be remembered as the year Evan Wykes captured two first places in meets as well as the second place berth in the ABC Medals Meet; indeed, his career as a runner has decidedly begun, and the eyes of the ABC League will be on him for competitive leadership and prowess over the next two years. Our returnees (Sharp, Pittman, Daniel, Taylor, Knight, Wang, and Kallaus) must now work doubly hard to fill the spots vacated by our Senior faithfuls: Gordon, Nelson, Wells, Alverson, and Wyman. We must recruit ninth graders and sophomores to create depth behind our strong starters in order to sustain our spirit, build, and drive. Burroughs is at long last learning how to become a Cross Country school, and the spectator participation at home meets has been gratifying to us all — more so, perhaps, than anyone can really understand. All in all, the team has been strong, the training vigorous, and the victories and achievements well-deserved and joyful. To have been the coach of such a dedicated team has been one of the highlights of my career.

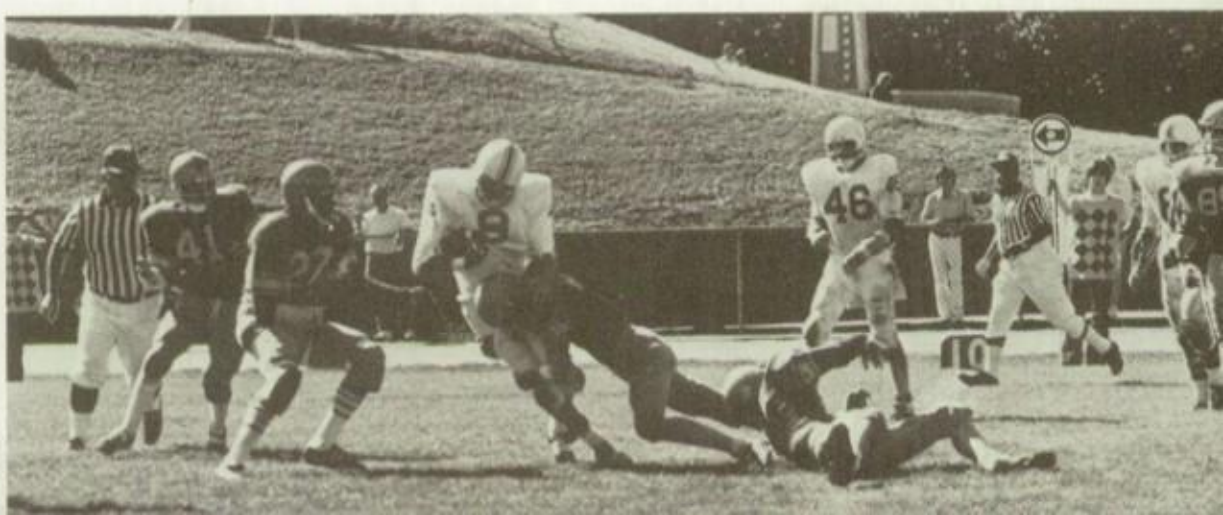
The 1973 "Steak House Gang" had a successful season despite their two losses to Codasco. All in all the team improved tremendously over the course of the season. The B-team's five victories reflected the hard work of both coaches and players. At the start of the season the Bulldogs defense proved to be the backbone of the team, scoring most of the points and holding their opponents scoring to a minimum. Near the end of the season the offense "put it all together", racking up a total of 20 points against the Priory rebels. The team came a long way with the help of its coaches and would like to thank Mr. Stevens and his assistants, Mr. Heath and Mr. Moore. The Bulldogs would also like to express their appreciation to a anonymous freshman parent who transformed the entire team from "the Steak House Gang" to "the Forest Hill Gang" after the Codasco game.



"b" hockey varsity

The B team had a very good season. The "Zambonies" played much better than their 6-3-2 record shows, considering many players were new at their positions.

Coached by Diane Vean and co-captained by Cindy Young and Mary Kay Grace, the team squeaked out five suspenseful 1-0 victories and one resounding 2-0 win over Nerinx Hall. The three losses came at the hands of strong Villa, St. Joe, and Clayton teams; all antagonizing 1-0 losses. The "Zambonies" tied Sunset Hills at Kansas City on a muddy field and Mary I., 1-1 and 0-0, respectively.

A young team, only five seniors out of fifteen members, showed vast improvement throughout the season and next year's outlook for an even better season is good. But the "Zambonies" may not be quite the same without Diane, who is leaving this spring. Many thanks to her.

The "C" team was suprisingly good. Even with the team motto "We're here to have fun and win in that order" and all the horsing around in practice, they were able to put it all together on Saturday mornings. There were some fine efforts by individuals but on the whole, the victories were team efforts.

Mr. Leiweke and Mr. Gardner deserve a special thanks, for without them none of this would have been possible:

drey land (die land)

This year the John Burroughs varsity football team went through its first week of practice in a torturous fashion. It occurred at Dreyland where many uncanny events happened. Even the Allman Brothers Band concert on the eve of departure could not erase from the mind of any team member the agony that they were to endure.

Starting the week off with five practices a day was no easy task for the boys. For three of the practices, they were required to cross a raging river which was deadly in more ways than one. After crossing the river, if they could make it, the blazing heat got to many of the players.

The mornings started off with Coach Lemen rousting people out of bed with the use of a blaring whistle in their ears, threatening them with cleaning out the johns if they didn't "Rise and Shine!" He then would tell the innocent sleepyheads that they had to run a mile and a half cross-country course which they all enjoyed and couldn't think of anything better to do at six-thirty in the morning. In spite of the troubles faced by the Bombers, they all survived the morning jaunts.

After breakfast, the practices that were destined to be torture sessions, commenced. Many players collapsed and died on the field, but that made no difference to Coach "Iron Man" Moore, who wore many of his players' hands to stubs with his awesome "bear crawl."

In the afternoon sessions, the Bombers were generally very tired. Nevertheless, Tom D. O'Keefe was merciless at one point when John Ross collapsed and O'Keefe bit his toe viciously to make him work harder. Ross was out for several weeks with a bad case of lockjaw.

At night, the tired out torturees watched some good movies such as "Cat Ballou" and "The Guns Of Navarone." During the shows, Coach Dick Heath forced the boys to eat a gallon of ice cream (strawberry or chocolate) apiece. He said that if they didn't eat it all, they would wake up the next morning with ice cream in their sleeping bags. What a sadist he was!

On the final day (a sacred day to say the least), the players were tricked into pushing their bus up hazardous hills for seventy miles so they could ride 185 more to the school. After such a tough week in August, the "A" squad was definitely physically prepared for their tough schedule.

"a" soccer

This year Bombers soccer team had an outstanding season. They finished the year in a tie with Country Day for the league title. But the Bombers declared themselves outright league champs because Country Day refused Burroughs bid for a playoff. Their league record was 7-1-2 and their over all record was 12-5-2.

After a slow start, with three wins and two losses in the first five games, the Bombers got on the winning track and rolled up a 10-2-2 record in their next fourteen games. Included in their winning streak was a strongly played defensive game against state soccer champ Normandy, but the Bombers lost 1-0 on a fluke goal. Despite their prowess, the Bombers couldn't beat Country Day in the two meetings between the teams. In the first game they lost 2-1, with Country Day scoring the winning goal in the last 30 seconds. The Bombers had to win the league title outright, but despite numerous scoring opportunities the Bombers could only score one goal and the game ended in a 1-1 tie. This set the stage for their final game against Priery. They had beaten Priery the week before 2-0 and they had to beat them again to gain a tie for the league title. The team played a lackluster first half with Priory taking a 1-0 lead, but the Bombers came out fired up in the second half and punched in two goals, with John Schaus booting in the winner with less than five minutes to go.

The defense was outstanding in helping Bill "Capper" Seddon record 7 shutouts, it included John Hamilton, Dave Stradal, Jim "Ma-a-an" Beisman. Steve LeBert and Charlie "B.O." Cissel who also added two goals. The offense didn't blitz anyone except Prin, but they supplied sufficient punch to win 12 games. The scoring went as follows: John Schaus led with 16 goals, followed by Rick "Gee" McGinley with 4, Steve Lewis with 3, Peter Hobler 2, Earl Gerfen 1, Shep Parke 1, and Peter Miller 1.

Special thanks go to head coaches Sugar Ray Beckman and his assistant Stanley Steamer Gardner for putting up with this unruly bunch for entire season.

"b" soccer

This year's edition of the "B" soccer Bulldogs was a disappointing one. With high hopes at the beginning of the season, the "Dogs" beat Ladue in a thriller at home. Travelling to Chaminade, the "B" teamers got psyched out and lost a close one. Next on the schedule was Parkway North at the friendly battle grounds. A questionable loss for the Bulldogs, as many of the "Northerners" were not called. At home against Lutheran South the team got on its winning wayagain in a punchless game. This ended the pre-Christmas season.

With no practices during the X-mas break, the "B" team were not in good form and proceeded immediately to lose to Principia at Prin. Then Codasco came calling and were stunned with a two goal burst by Lee Bearman, his best output of the year. The "Dogs" won that one 2-1. After this success it was to be a long time before the Bulldogs got the smell of victory.

With losses to Priery, North, Oakville and Prin. the "B" season crumbled to a dismal 3-7-1 record, the tie coming against Luthern South.

Luthern North paid a visit to JBS and the fists began to fly. The game was marked with heavy hitting resulting in name calling. Afterwards a donnybrook was avoided by both teams leaving the field instead of the traditional handshakes. When the final whistle blew the score was 3-3 but the team almost had victory# 4, had it not been for a freak goal with 10 seconds remaining. The team will finish out the season at Priory and Country Day.

Most of the guys had fun this year, but it's tough when you lose. It was always great to see our fearless leader, Mr. Stanly Sprague laughing and optimistic even though we lost. The "Dogs" wish to thank him for his spirit and guidance.

Some of the names to look for in upcoming soccer years are Steve Wolff, leading scorer Lee Bearman, Ted Holmes, Peyton Daniel, Alec the Lee, Mark "Mr. Goalie and Mr. Forward" Shanfeld, second leading scorer Kurt Holekamp and "Mr. Versatility" Bill Winter.

"C" soccer

The "C" soccer team played a total of thirteen games this season (including three pre-season tournament contests). The scoring leaders were: Joe Martin (4 goals), Bob Paletta (3), Steve Keith (3), David Jones (3), Bob Klostermeier (2), Jim Haug (2), Jason Stromsdorfer (1), Dan Rubenstein (1), and Darryl Herndon (1). With one game remaining to be played, the team had assured itself of at least a tie for the league title, with a 5-0-4 record. With Fred Rowland in goal, the team also held the opposition scoreless through the first nine league games. Fullbacks Joe Martin and John Otto, and halfbacks Jay Hershey, Bob Paletta, Paul Reitz, Bob Klostermeier and Kurt Altvater deserve much of the credit for the team's shutout season.

Overall, the 1973-74 Bombers were successful in that they played better than .500 ball for the last 2/3 of their season. As of February 20, they found themselves in the second round of the Class AA Regional Tournament at Priory. They were 10-12 and hopeful of bettering that statistic in the tournament as they entered it seeded fourth.

A very poor start hindered the Bombers as they struggled to 0-4 before they knew what hit them. Opening against Prep South, Burroughs, in the game until the waning moments of the fourth quarter lost to the Black Hawks by 13. The next night the Greyhounds of Clayton, a team ranked second in small schools for a good part of the season fast broke their way to an easy win over the fatigued Bombers. The next two games were ones which the A Ballers should have won but just didn't. They lost to a poor Ladue team and then surpassed that by losing to the Rebels of So. Co. Tech 67-61. At 0-4 Burroughs didn't throw in the towel and call it quits. They registered win # 1 against Jennings 56-54 in overtime with "Beans" Mathes pumping in 25. Jennings eventually was to finish second in a tough Suburban League Conference.

Entering the Christmas tournament at Chaminade, Burroughs met Codasco and won easily by 15. The next night, playing for the championship, the Bombers were clobbered by Chaminade.

The preliminaries were over and JBS was ready to enter league play gaining back once again the services of an injured "Pistol Pete" Holekamp. Burroughs lost to the Lancers of South by 20 despite little Peter's 18 points, before coming back to record consecutive wins over Prin and Codasco. In the Prin game, "Zip" Krause poured in a career high 32 points to pace the Bombers to a thrilling 2 point win. Balanced scoring was the highlight in the Codasco game as four Bomber teammates scored in double figures.

Midseason was marked by the ABC League Tournament at North. The Varsity Cagers dropped their first match to the Crusaders of North 51-45. In the consolation bracket JBS got a scare from Neuwoehner before nipping them by four. Playing for the consolation trophy, the Bombers were defeated by the high flying Panthers of Prin 55-49.

Resuming league play, JBS got even with Lutheran North as they downed the foul mouthed Crusaders 59-50 before a capacity crowd at the JBS Colisseum. League champion Priory defeated the Bombers twice before the Daisies became pigeons to eager JBS for the third time. Next, Burroughs took the season series from Prin, winning the rubber game easily by 15. A hungry Lutheran South team took out their frustrations on the Cagers 60-40. Then the varsity wallopped No. Co. Tech. 62-41 behind Holekamp's 17 big ones. JBS finished their regular season on a sour note losing to Lutheran North in a game played for third place in the League.

The A Buckets men entered the regionals and defeated the Owls of Windsor 49-36. In the final standings the varsity cagers ended up 5-5 and nailed down fourth place in the ABC League. The first seven for most of the season included Holekamp, Mathes, Krause, "Barney Rubble" Luehrman, "The Hammer", and sophomores Ted Levis and "Squeaky" Pittman.

"B" Basketball

A record of 3-17 shocked last year's "C" teamers, who had a record of 8-5, while returning "B" teamers, who had a record of 4-14, just saw it as a continuation of their infamous basketball careers. The "B" team was a winner in two tight contests over No Co Tech and Codasco, but against Priory, as they chalked up their other win, they had a field day. At halftime, the Bulldogs had blown open a 25 to 1 lead.

For their offensive punch the team looked to Paul Griesedieck, averaging 10 points a game, and Steve Duncker, averaging about 7½ points a game. The remaining spots on the court were usually filled by Dave Sisler, John Baine, and three able freshmen. The freshmen, Andy Marsh, Todd Schnuck, and Tom Rosenfeld did a superb job and should make some great contributions to J.B.S basketball in the next three years.

The rookie head coach, Dick Heath, didn't have the special trick play or mystery solution to get the players a couple more wins, but he did a lot with each player, and most improved remarkably. As losses began to pour in, Mr. Heath did all he could to shore up the weak spots. Like any coach would have done, he shuffled the lineup, yet he had something no one else had, the Brick. If a player made a stupid mistake and something went whistling over his head, he could be assured that it had been the Brick.

"c" basketball

This years "C" basketball team, while not a winning team, did play a few excellent games. With the starting seven, of Gutman, Boyd, Strassner, Krause, Maur, Austin, and "Big Joe," they came close to beating all of their league teams. The statistics (3 and 7) do not prove outstanding, but the redeeming factor was that of an individual basis. A lot of experience was gained as the season progressed and the boys learned more about teamwork and the fundementals of the game. Because of this, the boys can all look forward to a winning season next year on the "B" team.

FIRST ROW: Fleming, Kayes, Sherman, Parnas. *SECOND ROW:* Carp, Ullman, Bristow, Hecker. *THIRD ROW:* Mr. Haskins, Feit, Banton, Waters, Boles, D. Wilson, R. Wilson, Mr. Koprivica.

This year we had a very young team with 70 percent of the team being freshman and sophomores. Consequently we started slowly. Using Christmas vacation to catch up on experience we came back strong and started the post-Xmas campaign by defeating Brentwood. (This was the first time ever.) We posted an over- 500 mark for this part of the season. We also broke the JBS scoring record pinning Neuhwoehner 66-6 (we had 11 pins and they received 1 forfeit).

In the District tournament composed of 13 schools (out of which JBS is the smallest) four of our grapplers placed and therefore advanced to the regionals (a 24 team tournament). In District, 4th were obtained by Pinkus Parnas and Handsome Harley Sherman. First year man Pat H_2O's took a third and Steve Feit *talked* his way into second place.

In the Regionals Steve defeated the District champ from the other district and took second thus qualifying him for the State meet in Warrensberg. Last year we did not have any state qualifiers.

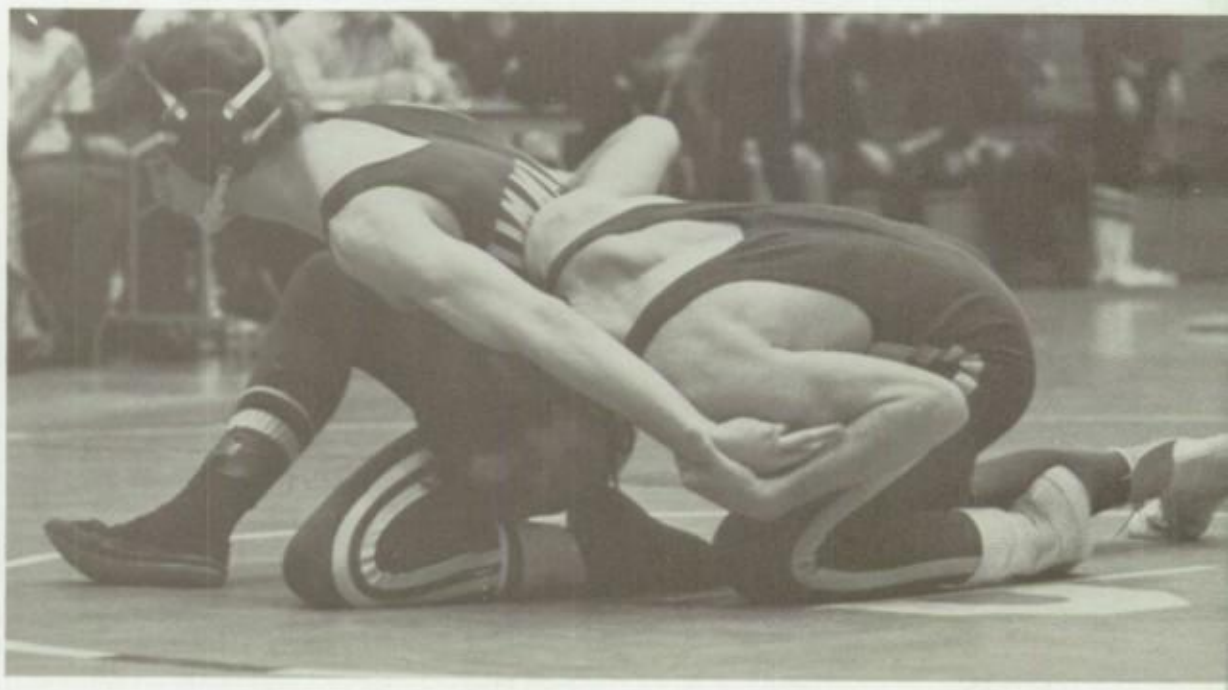
At the State meet Steve outscored a Regional champ from region 3 and took a fifth. Teamwise we placed 29th out of approximately 100 schools in Class A.

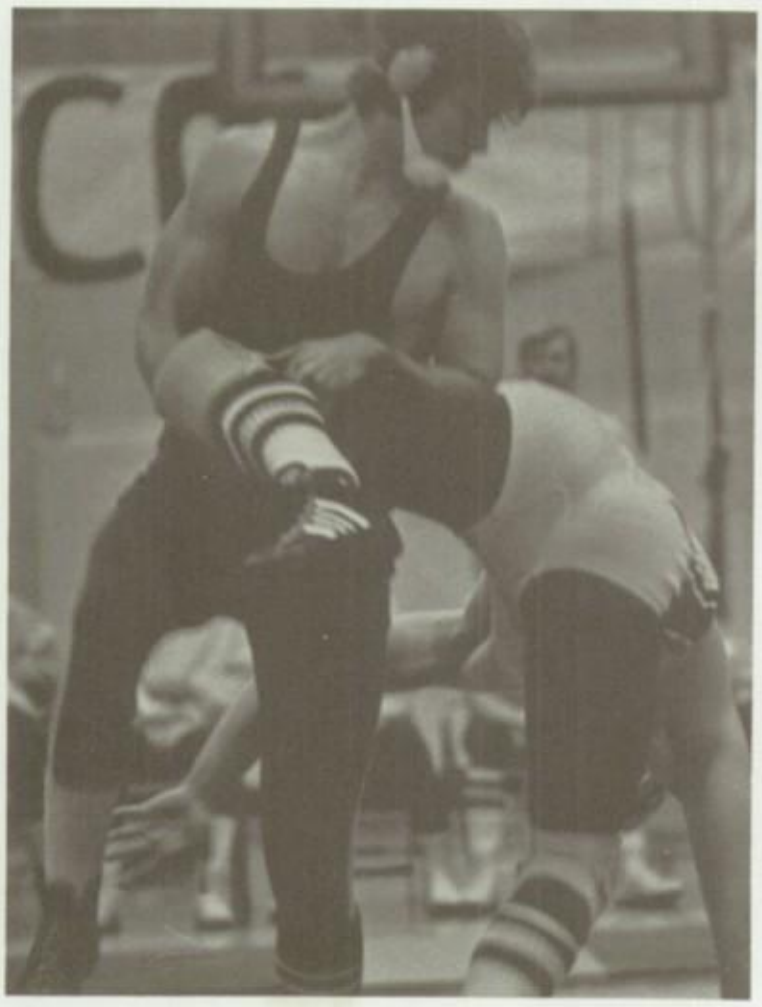
We have many hopefuls for next year, not the least of which should be Quinty Ullman and Matt Kayes, who hopes to be a big 98 next year.

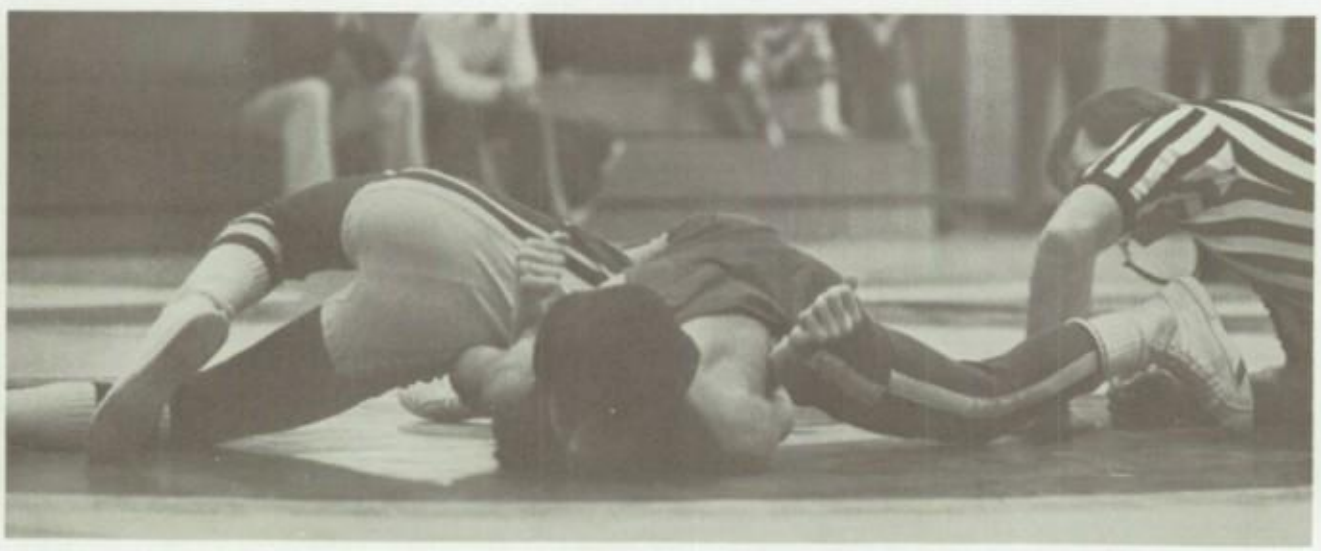
At the conclusion of the season we took the physical fitness test and once again ranked the school. All were over 500, holding an average of 556, with Squinty's 507 and newcomer Wildman Fleming with a 596.

Also post-season found the annual FEAST of 24 oz. steaks, spaghetti, grits, TATER SALAD and 100 pieces of cake.

When these six freshmen, four sophomores and one junior are a year older, stranger, quicker and uglier — look out!







FIRST ROW: Burrows, Sobo, Obata. *SECOND ROW:* Mrs. Keefer, Carp, Pfaff, Whelan, McMahon. ABSENT: Krause.

"a" basketball

This year's "A" basketball team looked like one of the best teams Burroughs has had in recent years. Even though the 7-6 record isn't dazzling, a few games were very close, and even with the losses, the girls' spirit and enthusiasm was overwhelming.

Burroughs got their season off to a quick start by stunning Incarnate Word, 39-28, nipping Parkway West, 38-36, and whipping Ladue, 43-33. The girls met a tough Rosati Kain team in a night game and were defeated 40-26. That same week, Burroughs also lost to Visitation, 41-38.

In the week before the state tournament, the girls had four games and lost three of them. They fell to Nerinx Hall, 51-46, Ursuline, 32-29, and St. Joe, 49-25, but beat St. Elizabeth 41-38.

This was the first year Burroughs has been entered in a state tournament. Burroughs was entered in the regional held at Parkway North and was picked to play Fort Zumwalt whom they beat handily. The JBS girls then met a greatly improved Incarnate Word team and the end resulted in a loss for Burroughs and also the chance to advance in the tournament.

The last week of basketball left the team with three wins and one loss. The girls lost a squeaker to Mary I, 32-30, but they ook their revenge on Villa winning 44-42. The last two games were easy victories for the team, beating Principia 61-20 and Clayton 42-16.

The team was composed of two veterans and six newcomers. Terry Carp showed her speed on fast breaks and her agressiveness in snatching balls from her opponents. Captain Janet Pfaff was known for her center position, shooting free throws and breaking the opponents defense through the middle. Newcomers Jane Krause and Cheryl Whalen gained valuable experience and showed that they will be major assets in years to come. Kitty McMahon and Wendy Burrows proved their speed and consistency in scoring and should spark next year's team to victory. Of the four seniors on the team, Nori Obata and Gwenn Sobo showed their talents by grabbing rebounds both offensively and defensively and also added crucial points.

Special recognition and thanks should go to Coach Skippy Keefer and to Mr. Moore for putting so much faith and effort in the team.

The "B" team "Green M&M's", coached by Sue Lowell and aided by captain Carol Molden and senior Mary Shifrin, had an extremely exciting season. Despite a 3-9 record, the team was enthusiastic and had more fun than victories. They also gained experience to help them in the future. The "B" team was plagued with injuries and illnesses but finished strong by winning their last two games, the final one by a score of 53-6 against Clayton.

'73 "a" baseball

FIRST ROW: J. Cissel, Mastorakos, C. Cissel, Seddon, P. Holekamp. *SECOND ROW:* Osborn, C. Griesedick, E. Schmid, Mathes, Burslem, Krause, E. Cissel, Mr. Leiweke.

The 1973 John Burroughs baseball varsity was Dynamite. Led by Coach "LVC" Tracey "Whaddyamean" Leiweke, the Bombers compiled an impressive 6-13 log. This tripled the win total over last season's "A" team. The Bay Bombers carded victories over Prin, eventual state finalist Priory, Orchard Farms and three big ones over lowly St. Johns.

The Bombers were led by their three all-league standouts J. C. (John Cissel), Nat Osborne, and Chip "Gopher Ball" Krause, Cissel kissed four homers au revoir while leading the team in RBI's and average. Meanwhile, in the field, Bill "Salad" Seddon supplied the team with dazzling defense as he caught many fly balls with very short notice.

As the season came to a close, the underpublicized Bombers entered post season play. In the District Playoffs, they convincingly defeated St. Johns, completing the hat trick over them on the season, 11-3, and then held off a strong Orchard Farms team, 5-4. Thus, they crawled into the quarter finals where they took on state finalist Priory whom they had beaten earlier in the season, 6-4. Although they lost 1-0 on a squeeze play, the Bombers thoroughly outplayed the Rebels as Krause fanned eleven in a losing cause.

The Bombers will lose their three big senior guns: John Cissel, Nat Osborne and Bill "Got 'em on the curve" Mastorakos. Returning veterans include the Cissel twins (Sleazy Ed and The B. O.), "Greazy" Chris Griesedieck, "Beany Rebich" Mathes, "Smoky" LeBert, Pete H. Kamper, "Zip" Burslem, and last, but not least, the guy who made things happen, "Splinters" Schmid.

Here are some of the choice remarks which made the season an enjoyable one. All team members had their own special comments.

"Whaddyamean least valuable coach, Schmid?"
"Whaddyamean Leiweke's snowing the ump, Beans?"
"Oh . . . double dip!"
"What do ya think I was doing out there? Taking soil samples?"
"We want the K!"
"Maz, come on and make it 20 big ones!"
"Gee, thanks for yelling at me, coach. That ball almost hit me!"
"On a dime."
"Yours at nine."
"Popcorn and beer at four!"
"You know where you can put it."

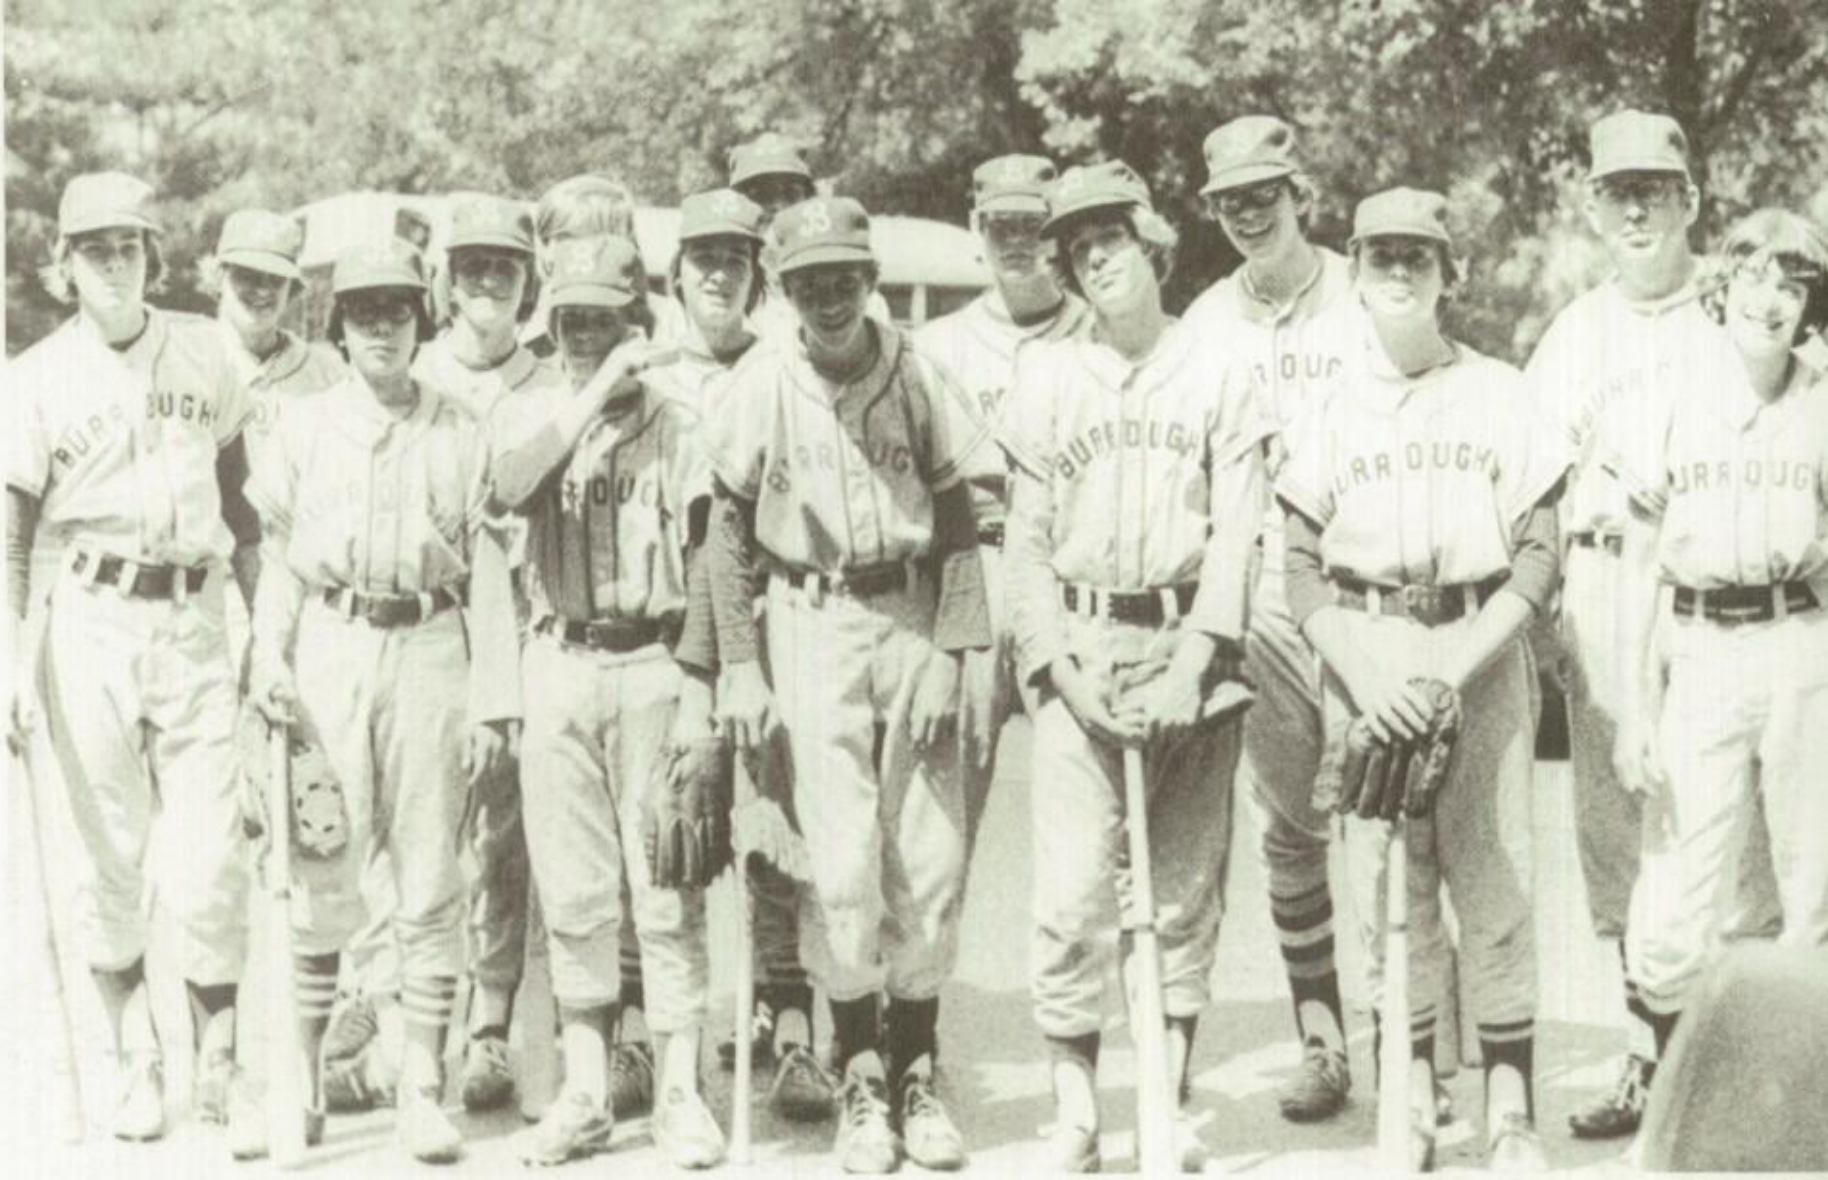
'73 "b" baseball

The 1973 'B' baseball team was talented but they were never able to put it all together. The season's record was a disappointing 3-9. Coach Stevens led the Bulldogs to two wins over Principia. Both were come from behind efforts, the other win begin a rout over Priory. The team wishes to thank the great support that we got from the fans, and hope that our experiences on 'B' team will help us on 'A' team next year.

'73 "c" baseball



FIRST ROW: S. Dunker, R. Wang, S. Lewis, J. Davidson, Holmes, Fisher, Pittman. *SECOND ROW:* S. Martiz, Costen, Helmich, Meyer, Forsyth, Griesedieck, T. Rasseur, Mr. Crabtree.

The 1973 C Baseball team did not deviate from the latest JBS tradition. They came out on the short end of the stick. The team had a few experienced players and a lot of spirit; both of which led them to a somewhat respectable season record of 5-6. As is the usual case on the C level, the game were riddled with numerous errors (Plus one bonehead which ended the season).

Many players were dismayed at the void of press coverage; fortunately a player's strike was narrowly averted. Star players such as Jim Forsyth, Steve Dunker, Steve Lewis, Paul Griesedieck, etc. will probably sign contracts and be back as B teamers for another mediocre season of baseball.

Coach Grover Crabtree gets very special thanks from the players for helping them to improve in many respect, while still allowing the team to enjoy their experience of playing some truly bush league baseball.

ROW 1: Gerfen, Sharp, Alverson, Peterson, Wykes, Austin, Huey, Burst, Trulaske, Hecker, Lind. *ROW 2:* Coach Carinci, Geissal, Coach Moore, Baine, Fleming, Hirsh, Rassieur, Schoenberg, Butler, Schnuck, Howell, McGinley, Manchester, Waters, Martin, Coach O'Keefe.

The 1973 JBS track team finished fourth in the ABC League Meet and had a 5-2 record in dual competition. The team defeated Clayton, Brentwood, Country Day, Lutheran North, and Priory, losing close contests to Lutheran South, and Prin.

In the larger meets, the thinclads also performed well. At the Lutheran North Relays JBS placed fourth. The 440 yd. relay team (McGinley, Gerfen, Butler, Miller) and mile relay team (Miller, Gerfen, Trulaske, Martin) both took top honors. At the Clayton Invitational their luck went bad when ace sprinter Jeff Miller pulled a hamstring muscle early in the competition. Jeff was the backbone of all the relays, all year long, and consequently the 440 and 880 relay teams could only finish third and fourth, respectively. In the district meet at Burroughs, the defending champions lacked depth but did qualify several people for the state meet: Tripp "Hilli" Howell (high hurdles), Rick McGinley (100 yd. dash), and Earl "the Pearl" Gerfen (long Jump). The 880 relay team of J. W. Miller, Gerfen, Muscoe Martin, and McGinley, and the mile relay team of Miller, Gerfen, Martin, and Steve Truelasky also qualified.

At Columbia, after a midnight pizza (mushrooms for McGee), the only event they placed in was an excellent third in the 880 yd. relay. This is quite an accomplishment considering the size of schools competing for a chance at the State Meet (over 1500 schools).

In the ABC Medals Meet, the only first place was Rick McGee in the 100 yd. dash, second places going to Muscoe Martin in the 440 yd. dash, and the 880 and mile relays, and Rick McGee in the 220.

The team owes a lot to coaches D. O'Keefe, el Senor Carinci, and Denny Moore.

FIRST ROW: Hanger, B. George, Baker, Edison, T. Levis, Carter.
SECOND ROW: Winter, Pershall, Johnstone, Zemitzsch, Mr. Witscher.
Absent: Smith.

The 1973 spring season brought the most successful golf team John Burroughs has ever seen. The first match of the season against C.B.C. proved to be a poor start as they turned in a loss. From then on the team showed nothing but improvement. They easily captured the ABC league crown, going undefeated in league play and played well in non-league competition including a tipsy victory over a strong S.L.U.H. squad. The top four players went to the district meet hoping to finish in the first six teams in order to go to the state high school meet. The team played well, qualifying for the state meet as they placed fifth among 41 schools.

The team traveled to Columbia where they were upset runners up in the state competition. Pete Edison led the squad of Corky Hanger, Larry Smith and Tad Carter as he grabbed the individual medalist honors. The sobriety and dedication the players showed throughout the season payed off in the end. On the year the golfers compiled a regular season record of 10-3, placed fifth in the Districts and took second in the State Championship. Coach Hugh Witscher and the entire 1973 Golf Team are to be congratulated on a fine season.

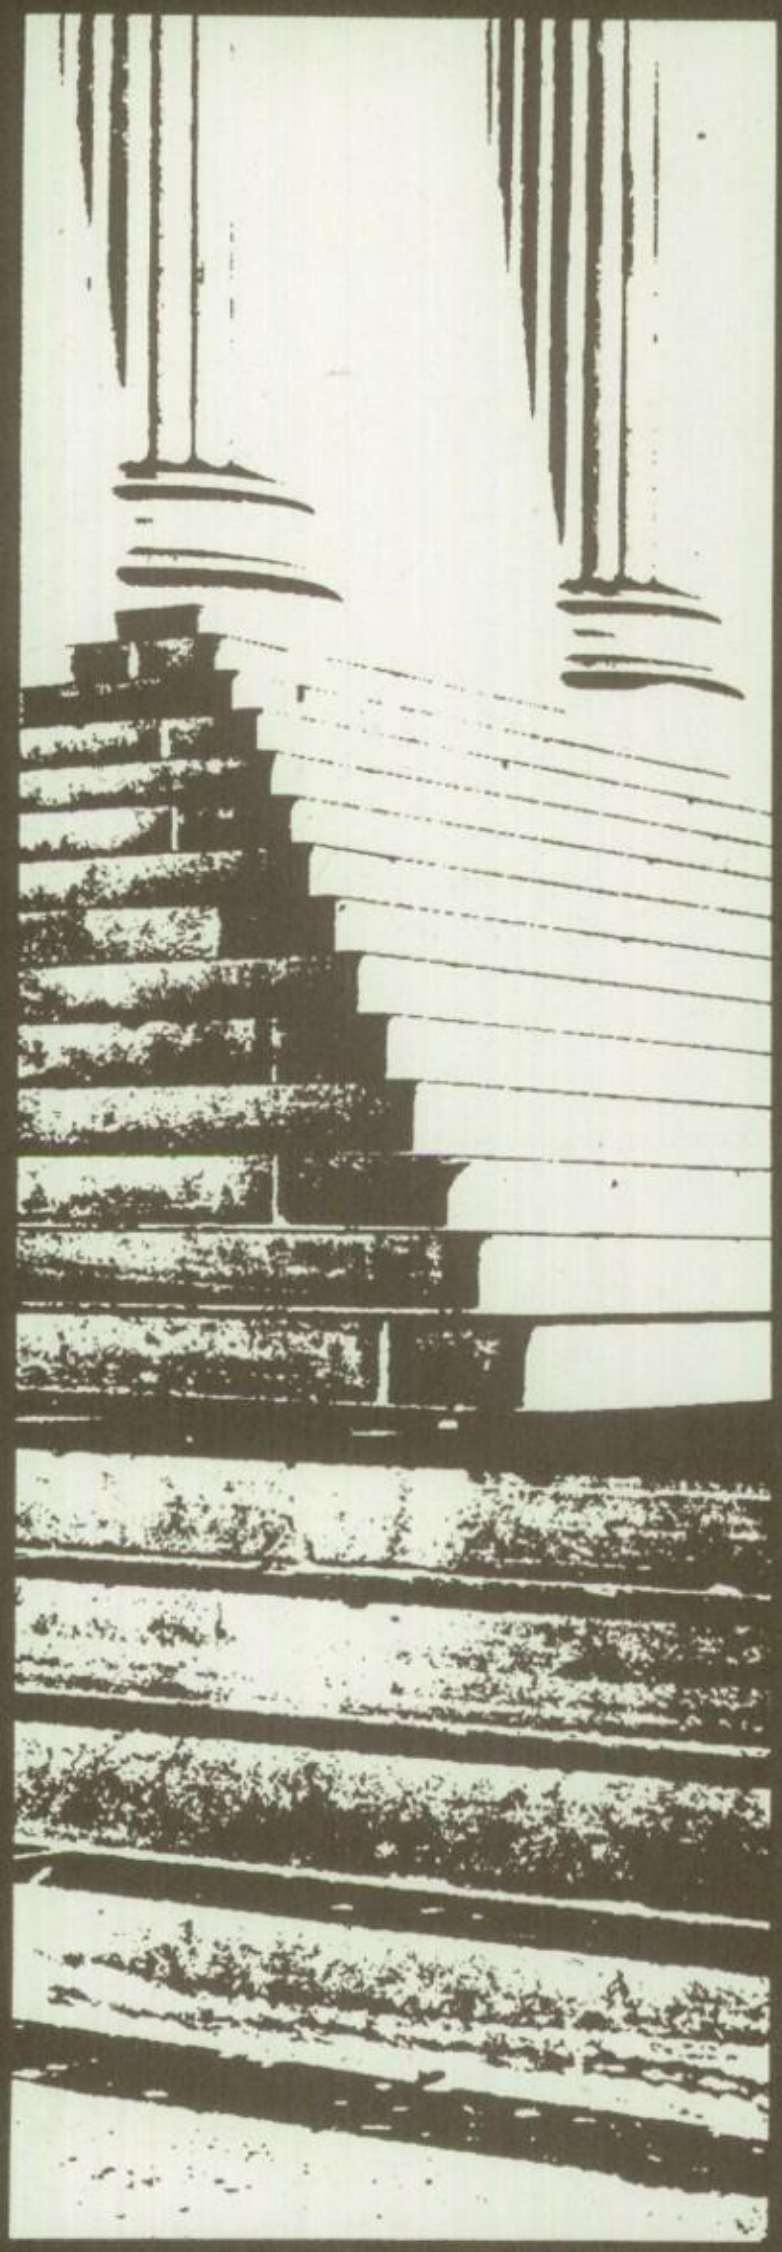
CLASS OF 1948



One Day,

we'll be governed by people your age!

Look around you In 20 years some of the faces you see now may be recognized by millions When that day comes, you and your classmates will be making many of the important decisions in industry . . . . in our school systems . . . . space program . . . . government

Seems incredible that it could happen in such a short time, doesn't it? But you'll be ready. Because between now and then you'll get a lot of practice handling new responsibilities College Career Marriage Children A hundred varieties of financial responsibilities

If you haven't already, drop by for just a few minutes Let us show you what we can do for young people like yourself It's never too early to have your own bank

john burroughs — carr lane exchange

This was the fifth year for a full trimester exchange between Burroughs and Carr Lane eighth graders. The first few meetings were spent getting to know one another, along with studying the history of St. Louis. The trip to the Drey land was great. There are memories of long walks, painting with mud and mushrooms, and ghost stories around the campfire (with a guest appearance by the legendary "Lobo Jim").

Once we get back from camp, we started to work hard writing stories and poems for the annual publication. Everyone had had enough of copying onto dittoes by December. But we were all happy when we saw the finished books

The improvisational production was a chance for everyone to demonstrate their acting talent. Whether it be in sports, singing (One Tin Soldier), Slow motion fighting, a machine, or playing your jaw; everyone was a star.

We'd like to thank Mrs. Tickner, Mrs. Davie, Mr. Gramse, Miss Greene, and put in a good word for the senior teaching assistants.

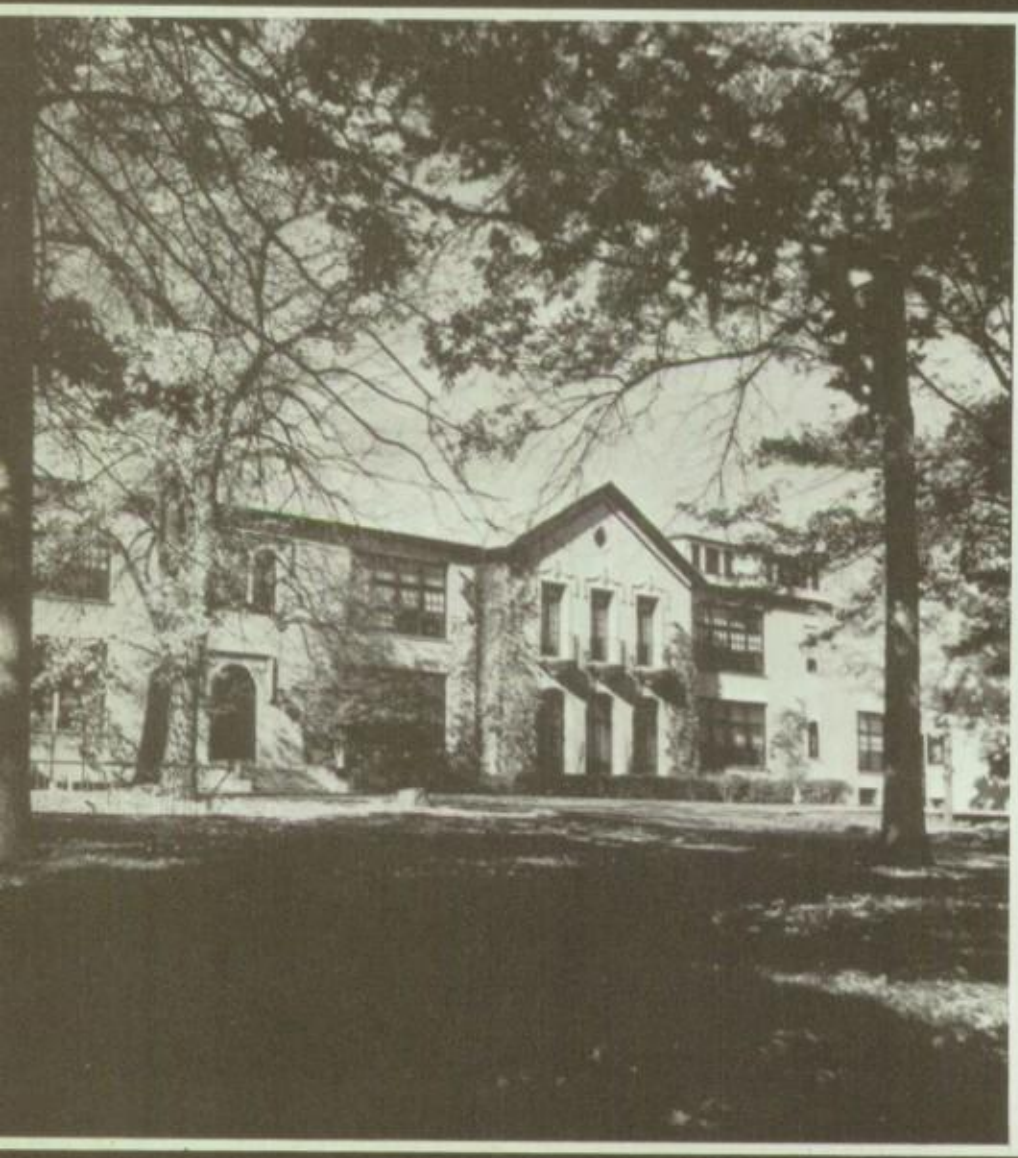
"The days are our children which we have for a little time, and then they are taken from us; one by one they step across the line into that land from which there is no returning, and not till they are gone do we see how beautiful and pathetic they were, and how deeply we loved them."



Hey Greg
You Fag!
This year was
very good year.
Especially in the
locker room. It was
fun having English + history
and Science with you. Get
stoned out of your head every
night this summa!!! I'll
see you next year if we are both
still around!!!
See Ya Pussy

Greg:
see ya
tommy

To Gregory—
This year hasn't been a
bummer for me. I don't
see what all the fuss is about. Lets
be friends ok? Any dollars.
Berry.

Hey Picardy
Since your finger
didn't come all the
way off in the lawn
mower. The blade must
not have been shapp
enough, so take it
to Ace Blade Sharpening.
So your finger comes all
the way off next time.
Have a great summer with
girls and stay a virgin till
at least 18. Don't take
or drink to much.
Your friend Bill Averson

Greg:
I knew all
o.k year for
me I have a
few summer
learnings

Greg,
Hope your finger
looks better by
next year.
Good luck over the summer
with who ever.
see ya

Greg—
CONCert freak.

You're wrong about Randy Bachman.
Leaving the Guess who was the
best thing he could ever do for them.
Get into jazz - you might like it.
I didn't really get to know you too
well this year but I'm glad I got
a chance to talk to you once in a
while. Hope you and your weird
friends have a good summer.

Rock on
Josh Milton

P.S. Hope you don't need to shoot
the bird at anyone.

Greg,
How is your
finger?
Hope ya get better
soon Keep on to ken
Luv, Wendy

My pen

I stay my haste, I make delays,
For what avails this eager pace?
I stand amid the eternal ways,
And what is mine shall know my face.
